Activity Name: Swachh Bharat- Cleanliness Drive
Conducted By: Campus Maintenance and Beautification Committee
Date: 14th November, 2022

To encourage the spirit of cleanliness, the Campus Maintenance and Beautification Committee organised the "Swachh Bharat- Cleanliness Drive" campaign on 14th November 2022 at the college campus.

The Swachh Bharat Mission emanates from the vision of the government articulated in the address of the President of India. It was a tribute to the ideologies of Mahatma Gandhi and Azadi Ka Amrit Mahotsav.

The first-semester students (40) with the teachers participated in the event. The cleanliness drive went on till the afternoon when students showed full enthusiasm in cleaning the classroom and common areas and disposing of wet and dry waste separately.
