The faculty and final semester students of the Department of History went on a study tour by bus to Thenzawl on 7th March 2023. The group visited important historical sites such as Bengkhuaia Thlan and Chawngchilhi Puk as well as other places such as Vantawng Khawthla, Dilpui and Thenzawl Golf Course.

Three faculty members including the Head of Department — Dr. B. Lalrinchhani, Asso. Prof., Dr. Lalarzoa, Asst. Prof. and Mr. Rothangliana, Asst. Prof. chaperoned 14 History Core students.

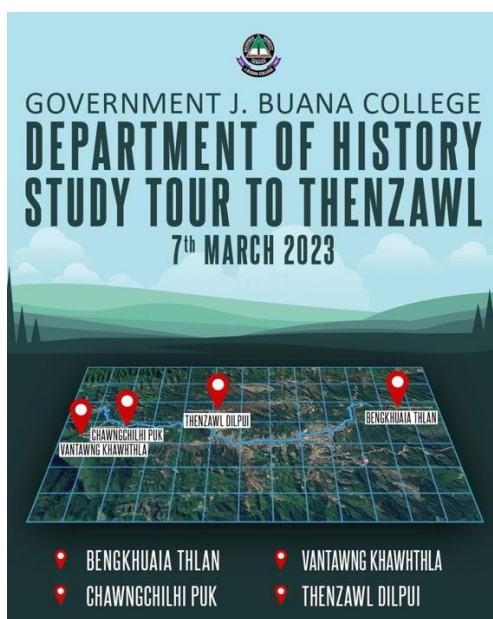

The students had the opportunity to inspect in detail the various Mizo historical sites with the faculty members explaining the histories and significances of each site. The tour members then took photographs at each location.

The students also engaged themselves in community service by picking up litter at Chawngchilhi Puk and the steps leading up to the cave.
