The History Club of Government J. Buana College conducted a field trip to Kristian Hmasate Thlanmual, Theiriat, on 17 October 2023. The group also visited the model of the “first” church in Mizoram, located at Sethlun. The 27 students were chaperoned by two faculty members of the Department of History — Mr. Rothangliana, Asst. Prof. and Ms. Jenny Lalruatfeli, Asst. Prof.

Ms. Jenny Lalruatfeli gave a short lecture on the history of the site. Thereafter, the club members made a careful study of the various gravestones erected at the site, photographing and recording the inscriptions:
