

PLANTING OF TREES ON GREEN MIZORAM INITIATIVE 2024

On 11 June 2024, Government J. Buana College reaffirmed its commitment to environmental conservation by participating in the Green Mizoram initiative. The college community, comprising the Principal, 8 faculty and administrative staff, and 13 students, came together to plant 16 saplings at Hrangchalkawn.

This collective effort demonstrates the college's dedication to fostering a culture of eco-responsibility and contributing to a greener, more sustainable future for Mizoram
