ACTIVITY REPORT ON OBSERVATION OF WORLD WILDLIFE DAY 2025

Dated: 03-03-2025

On 3rd March 2025, The Eco Club, Government J. Buana College, Lunglei, Mizoram, observed the World Wildlife Day, a UN-designated global event to raise awareness about the importance of wildlife and biodiversity conservation, with the theme "Wildlife Conservation Finance: Investing in People and Planet".

Summary of the day's observations and significance:

Global Significance:

World Wildlife Day, established by the UN in 2013, aims to highlight the urgent need for wildlife conservation and biodiversity protection.

Date and Origin:

The day is celebrated annually on March 3rd, commemorating the signing of the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) in 1973.

Theme:

The 2025 theme, "Wildlife Conservation Finance: Investing in People and Planet," emphasizes the critical need for innovative financial solutions to support conservation projects and recognize the indispensable role of wildlife in sustaining ecosystems, economies, and human well-being.

Importance of Wildlife:

Wildlife and biodiversity-based resources are essential for human needs, from food and fuel to medicines and housing.

Conservation Efforts:

World Wildlife Day serves as a platform to bring people together, share knowledge, and advocate for policies and practices that protect and preserve endangered species and their habitats.

Local Relevance:

In Government J Buana College, the day was observed to raise awareness among the students about the local wildlife, the threats they face, and the importance of conservation efforts in the region.

Activities:

Students were engaging in watching a video about the Wild life. Educational events and advocacy campaigns were held to focus on the different aspects of wildlife and their habitats and discuss biodiversity and conservation strategies.
