## Summary of the theme: Access to Electronic- Resources for Teaching - Learning

The role of e-resources and services is disseminating knowledge with a certain aim. They excel in furnishing information of current value and interest to the user community. Today resources are considered the most important components in the information communication process.

E-resources have a prominent role to play in supporting higher education and in fulfilling educational objectives. E-resources are rich sources of information for those students who want extra learning materials in addition to their regular classroom activities.

The presentation discussed about the different electronic resources and their importance in teaching and learning. The component of N-LIST was discussed in detail including how to access and download articles from e-journals and e-books. Open Educational Resources (OERs) SWAYAM, National Digital Library of India, Khan Academy were also discussed. Google Scholar a Web search engine that specifically searches scholarly literature and academic resources, Google Books a service from Google Inc. that can search full text of books and magazines that Google has scanned, conversion to text using optical character recognition (OCR), and storing of this in its digital database were also discussed. Digital Repository like DOAJ, Project Gutenberg, Hathi Trust Digital Library were also discussed.

The image is a screenshot of a Google Meet session. The main window displays a presentation slide from Khan Academy. The slide text reads: "Khan Academy Free Online Courses, Lessons & Practice" followed by the URL "https://www.khanacademy.org". Below the URL, it says "Online platform, academic content nei tha tak mai a ni". The slide is presented in a Beamer format, with a navigation pane on the left showing slide thumbnails. The top of the screen shows the Meet interface with a recording indicator (REC) and the name "1413.K.Malsawmzuali is presenting". The right side of the screen shows a grid of participant avatars, including "1413.K.Malsaw...", "J Buana Colleg...", "Phillip Lalpakzu...", "RempuiBA 170", "lalruatfeliBA118", "F. VL. Hmangai...", "Benjamin Lalta...", "88 others", and "You". The bottom of the screen shows the Windows taskbar with the time "13:45" and the date "03-11-2021".
